

### Careers plan

**In Year 7 Careers education is embedded throughout the year, introducing students to the world of work, personal strengths, and aspirations, laying foundations for future pathways. Our intent is to nurture confident, compassionate, and informed young people who are equipped to make safe, ethical choices and flourish in both school and wider society.**

**The lessons below take part in the summer term on during PSHE time on the calendar.**

**There is also a whole cohort trip to EdgeHill in the summer term for students to explore future study options and make links with subjects delivered in school.**

- **Supports discovery of the world of work.**
- **Supporting goal setting short and long term for future choices in KS3 & KS4**
- **Learning about the various job roles that do not exist yet.**
- **Exploration of personal qualities, skills and character traits linking to job roles of the future.**
- **Research using online career platform tools Xello and Future skills questionnaires**
- **Personal Development Links: Promotes confidence and self -esteem. Identifying personal qualities, skills and character traits. Enforces positive behaviour in the world of work and use of mercy values.**
