

Reading challenge - Summer Book Club

Prepare for secondary school – read, read, read!

- Try to read every day
- Read whatever you enjoy - magazines, comics, fiction, non-fiction, poetry, song lyrics
- If you have a younger brother, sister or a pet read to them
- Read the book for Summer Book Club!
- Visit your local library

What is Summer Book Club?

- Lots of schools around the country are reading *The Chime Seekers* by Ross Montgomery
- We would love for you to read it too.
- You have all summer to read the book and will receive an activity pack with questions and activities related to the book including artwork and creative writing. *The activities are designed to be fun and involve some writing, drawing and model making - there is no need to complete everything, but try to do at least one activity that you can share in September.*
- Walker Books who published *The Chime Seekers*, have agreed to make the book available as an ebook for **just 99p from July 12th until August 10th**. It can be downloaded from Amazon and read on the Kindle app which is available across a wide range of devices, including most smartphones, tablets and computers.

What happens in September?

- In September, when you come to your new school, you can share what you have done over the summer and discuss the book with your new friends
- There will be an online author question and answer session with Ross Montgomery, where you can ask questions and share your views of the book

Best wishes,
