Year 11 evidence check schedule

Dear Parents and Carers,

As a school, we have been asked to use a range of evidence to make a judgement of the grade pupils are performing at. The evidence used to make a judgement of a grade can come from throughout the course. We will use a broad range of evidence including;

- Milestone assessments
- Mock exams
- Evidence checks
- Homework assessments
- Exam board support materials (in the form of topic tests)

This means that a grade will not be determined by one single piece of evidence.

Overleaf is a summary of the schedule of evidence checks due to take place over the next term to support the grading process. Further information about specific topics/revision lists will be shared with pupils and saved on Show My Homework.
