Dear Parents and Carers,

I hope you and your loved ones are safe and well. We would like to update you on the latest information regarding vaccinations. As you will be aware the decision has been made by the Chief Medical Officer (CMO) to offer Covid vaccinations to healthy 12 - 15-year olds and for these to be offered with immediate effect, within school premises and within school hours. As with all vaccinations, parental consent will be sought and all vaccinations will be carried out by trained medical staff, not school staff. The role of the school is merely to provide facilities and logistics.

At this moment in time we do not know when vaccinations will be made available but we will, of course, keep you informed as soon as we can. In the meantime, the following links may be useful:
