Dear Parent/Carer

If we've been notified by your local authority that your child is eligible for free school meals, here is the information on how this works at Maricourt.

Students will have an entitlement of £2.60 each day they are present in school, which is automatically applied to their dinner money balance. The allowance is only available to use at lunchtime from 12.40pm and not at breakfast or break time. The allowance does not roll over if it's not used.

Students who receive free school meals are able to collect a piece of toast at break time which is free of charge.

We offer all students a meal deal of a hot main meal, a piece of home baking and a bottle of water for £2.60. Students are also able to refill their water bottles from the water coolers in the canteens on both campuses during service times.

If you wish to top up your child's Parent Pay dinner money account then this can be used to purchase items at breakfast and break, and also for any items over and above their allowance of £2.60. Please note that the free school meal allowance does not show on Parent Pay, only transactions purchased over the £2.60 allowance will show.

Menus and price lists can be found on the school website using the link below:

Please do not hesitate to contact us if you require any further information regarding this.

Kind regards
