

Congratulations

GRACE AND ALICE

Alice is now studying Maths at Oxford University while Grace is studying Dentistry at Queen Mary University, London

SHAPING YOUR FUTURE

Our students value the careers education, information, advice and guidance on offer to them, enabling a successful transition into university, training or employment. If you choose to join our Sixth Form we will help you to achieve your potential, in whatever field that might be. Further information on the 'Pathways' page will give advice to students who have a specific career pathway in mind, such as Medicine and Law.

STUDENT DESTINATIONS

A word cloud of student destinations. The most prominent word is 'Liverpool'.
