

Shoes@Maricourt

We are proud of our uniform here at Maricourt. Our uniform suppliers provide the exact requirements and work with us to ensure quality and affordability. One aspect of our uniform that can give rise to interpretation is shoes. School shoes are particularly expensive, parents can spend a lot of money on footwear which clearly does not take note of the school's policy. Indeed, we are told that many retail outlets promote these 'trainer' like shoes as being 'school shoes'. In our view, footwear of this type is not formal and is consequently not appropriate for our school.

Shoes have a heel, must be black leather that can be polished and must not display a logo.

Trainers, pump style shoes, boots, cloth/suede/canvass shoes are NOT allowed

Whilst we do not endorse any brand or company we have set out some examples to help you make the correct informed choices for your child on their return in September.
