

## Well being 2020/21

**MARICOURT**  
SIXTH FORM  
CENTRE

In addition to the fantastic academic support we offer to our students, we believe that our students' well being is of paramount importance. Each of our students is supported by our experienced pastoral team. We establish strong relationships with all of our students so that they can excel in an environment in which each feels cared for and treated as an individual.
