Headteacher: Mr. J. Mangan. BSc (Hons) BA NPQH

Dear Parent/Carer,

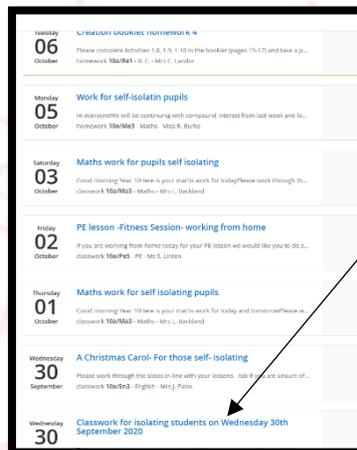

As you may be aware, unfortunately there have been some pupils who have had to stay at home to self-isolate in recent weeks.

If your child is ever asked to self-isolate, we ask that they continue to follow their normal school timetable. This will help to structure their day and ensure they do not develop gaps in their learning.

Work for pupils working remotely will be set on Show My Homework. All pupils have access to this and can log in with their normal school log in details via the link 'log in via Office 365'.

The work that pupils need to access for each day will be listed on their 'homework list'. Please ignore the date on the left-hand side, as this is the default setting for when the class teacher would like the work submitting, not necessarily the date the work has been set. The title of the task will indicate which date and lesson the work is for, therefore the lessons for a particular day are not always in order on the homework list.

In addition to tasks set on Show My Homework, there may be occasions when your child is invited to join a 'live' lesson via MS Teams. The link for these lessons will be shared through Show My Homework. Pupils will receive training on how to access MS Teams in their PSHEE lessons this week.

Please support your child by checking Show My Homework with them on a daily basis whilst they are absent from school to help them keep up to date with their learning. Instructions for submitting the work will be indicated on each task by their class teacher. If your child does not have access to a computer, laptop or tablet at home then please contact their Progress Leader so that alternative arrangements can be made.

Many thanks for your continued support.

Yours Sincerely,

Mrs J Mills

Assistant Headteacher
