

WHAT COURSES CAN I DO?

1

A LEVELS

We offer a wide range of academic A Level courses. Each course is now linear which means you will sit all of your exams at the end of Year 13. Select one of the boxes on the right to see more information about the course you would like to study as well as its GCSE requirement.

2

APPLIED COURSES

There are also two Applied A Levels - Business and Criminology. These offer a 'real life' look at the topics. You will study the practical side of each subject. There is some assessment under controlled conditions as well as two exams.

3

BTEC COURSES

BTEC courses are offered as single or double in most cases. You will complete coursework and sit at least one exam. All of our vocational subjects offer progression at Level 3 onto university or higher level apprenticeship.

4

WHAT DO I NEED TO ACHIEVE AT GCSE?

Each of our Level 3 courses has its own GCSE requirements. **You must have an average GCSE score of 4.** In addition, each subject has its own grade requirements and these are outlined on the subject information page. Should you not have a 4 in English Language or Maths then you will need to re-sit these.
