

# TERMS OF REFERENCE GOVERNING BOARD AND COMMITTEES

## The Role of the Governing Board

The purpose of governance is to provide confident and strong strategic leadership which leads to robust accountability, oversight and assurance for educational and financial performance.

### Core Functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff; and
- Overseeing the financial performance of the organisation and making sure its money is well spent
- Ensuring the voices of stakeholders are heard.

In all they do, the Governing Board will focus on their strategic role and on how they can support the school to raise standards.

The Governing Board recognises that it would be impractical to undertake all the day to day activities itself in discharging its responsibilities and it is necessary to delegate some of its functions through committees and the Headteacher.

General arrangements for Committees are as follows:

- a) Membership. Each Committee will be composed of Governors and, where appropriate, independent members selected by the Governing Board. Committees may wish others including other Governors to join their discussions, with or without voting rights according to the Committee's decision, but subject to an overall maximum of ten members. The Headteacher will be a member ex officio of all Committees for which he/she is eligible.
- b) Alternates. All Governors are nominated as alternate members of all Committees for which they are eligible. In cases of need, the Clerk to the Governors will select governors to act as alternates after consultation with the Chair of the Governing Board.
- c) Quorum. The quorum of all Committees will be three members.
- d) Reporting. The business of all Committees will be reported to the termly meetings of the Governing Board.
- e) Chairs. The Chair of each Committee will be appointed by the Committee at its first meeting in the academic year. In the absence of the Chair from any meeting, the Committee will appoint one of its members to take the chair for that meeting only.
- f) Review. The functions and membership of all committees will be reviewed each year at the first meeting of the Autumn term.
